

Triangle Pushcart 2016 Partner Registration

"It must have appeared almost as improbable to the earlier geologists, that the laws of earthquakes should one day throw light on the origin of mountains, as it must to the first astronomers, that the fall of an apple should assist in explaining the motions of the moon."
- Sir Charles Lyell

Description of Partnership

Provide a brief summary of how your organization would like to be involved in supporting the event. (ex. share our expertise with youth through a demonstration, volunteers to assist with set-up, social media promotion, photo / video, donate equipment and materials, etc.)

Participants

We've found it helpful for partners to designate a primary point of contact to share event communication with the other members of their team. Designate this person by listing them in the first spot below.
